Violins Violas Cellos Double Bases Bows Cases Accessories

We are very good at sourcing a wide range of instruments, all individually selected or commissioned and then set-up and finished by Tim. We have a large music room where you can try out our collection in complete privacy, and we are always happy to help you choose a compatible bow and case for your new instrument if you like. We have violin outfits from £99, and many instruments in all sorts of combinations to suit all pockets.
